Kp. Keramat Jaya RT 02 / RW 01 Desa.Kertaraharja Kec. Cikembar Kab. Sukabumi

I am a student pursuing a degree in technology. I have experience in web programming, especially in front-end development using HTML, CSS and JavaScript. I also have skills in using javascript liblary like React, CSS frameworks like Tailwind. I am very interested in doing an internship in front end web development and am confident that I can add positive value to the company.
